

Scholarship

Dear Applicant,

Thank you for applying for a \$1500 Maier & Associates Charitable Foundation scholarship. We wish you success in your final months of high school, in your scholarship application search and submissions, as well as your future in college or trade school.

The criteria to apply for our scholarship are simple: you must be a high school senior who will graduate in 2023 from a high school in the Great Lakes Bay area, and you must be attending a college or trade school in the fall of 2023.

Please note that when choosing applicants for our scholarships, highest consideration is given to students who have given back to their community or school in the form of active community service. Emphasis is also put on students who *thoughtfully* complete the essay questions.

Best Wishes for Success,

Maier & Associates Charitable Foundation
